

In order to create the most impactful learning experience for our students, First Tee is moving from our current skills-based program to an age-based program. We will no longer use levels (PLAYER, PAR, Birdie, Eagle) to determine placement. Students will register and be placed in groups **within a given class** based on their age. The age groupings will be 7-9, 10-11, 12-13, and 14-18. Students will progress through these levels based on their age. Students will now celebrate achievements and skill progression by earning badges.
